

## PRESERVING THE PROPERTY

Traverse City Optimist Club is committed to preserving the natural beauty of the Cabin Property. We ask that all users endeavor to leave the property as they found it.

**Please Remember:**

1. All groups must be escorted by a sufficient number of adult supervisors.
2. Limit activities in the creek as it can result in the destruction of natural habitats.
3. Build fires in fire pits only.
4. Prior to departure please inspect the cabin and pavilion area to ensure that all waste and litter has been cleaned up.
5. We ask that you transport all waste material off the property.

## WELCOME

Welcome to the Optimist Cabin Property situated on 44 acres of deeply-wooded rolling hills and the gentle, flowing water of Beitner Creek. The site truly reflects the natural beauty of Northern Michigan. The property features the "Discovery Trail", a self-guided environmental education hiking path developed in conjunction with Traverse City schools. Over 3 miles of trails wind through the property including a snowshoe loop for use by winter enthusiasts.

## FACILITIES

Facilities include a rustic cabin that once housed the Traverse City Visitors Center.

- Large covered pavilion w/electricity
- Picnic tables
- Hand-pump well
- Restrooms
- Large charcoal grill
- Fire pit
- Camping areas

After a visit to the property, you'll understand firsthand why the Optimist Club is *The Friend Of Youth.*
